If you do not have a UNLV parking permit, please pick up a permit from the GeoSymposium registration desk in lobby of Science and Engineering Building (**SEB**) on Friday, April 18. Please allow for some extra time, as you will need to put this parking pass on your vehicle or risk getting a parking ticket. This permit will allow you to park at any student parking spot, but we recommend the Cottage Grove Parking Garage right next to the SEB . If you need directions to SEB or assistance for parking during the GeoSymposium, please call William Fischer (224)612-1712. A parking pass is not necessary for Saturday, April 19.

More information on parking and campus maps are available at :

http://www.unlv.edu/maps
