Will you be a full-time student next academic year?  YES  NO Current GPA

Anticipated date for completion for all degree requirements. This will include thesis or dissertation

1. Fill out 250-word statement of your thesis/dissertation research with comment on your financial need or any expected educational expense to be incurred during the scholarship year. Explain why you need the money and its use.
2. Include a budget of the total project cost, the requested funding amounts, a budget justification, and current & pending support (i.e., the amount of funds which are currently available, source(s) of available funds, proposals submitted).
3. On a yearly basis a UNLV Scholarship and FASFA application MUST be submitted to financial services @ <http://Financialaid.unlv.edu/Applications/scholapplication.asp>. Provide a receipt of submission of the UNLV financial forms with this application.

**Return completed application materials to the Geoscience Department Office. Failure to complete any of these three steps may prohibit you from being awarded a scholarship. You will need Acrobat Reader to complete this form.**
