

If you do not have a UNLV parking permit, please pick up a permit from the GeoSymposium registration desk in lobby of Science and Engineering Building (**SEB**) on Friday, April 10. Please allow for some extra time, as you will need to put this parking pass on your vehicle or risk getting a parking ticket. This permit will allow you to park at any student parking spot, but we recommend the Cottage Grove Parking Garage right next to the SEB. If you need directions to SEB or assistance for parking during the GeoSymposium, please call Josh Russell at (702) 756-1882. A parking pass is not necessary for Saturday, April 11.

More information on parking and campus maps are available at : <http://www.unlv.edu/maps>
