

Department of Geoscience Seminar Schedule Spring 2018

All seminars are at 4:00 pm in LFG 102

| Date | Speaker | Affiliation | Discipline | Title | Faculty Host | Student Host |
|--------|--|---|-------------------------------------|---|--------------|--------------|
| Jan 17 | Erick Bandala | D.R.I. Las Vegas | Water Quality and Climate Change | Health Risks Posed by Climate Change in Arid and Semi-Arid Regions: Water Quality and Heat Waves in the Southwestern U.S. | Rowland | |
| Jan 24 | Professors Bonde, Hausrath, Metcalf, and Nicholl | | | Grad School Information Session for Undergraduates | | |
| Jan 31 | Vince Ramirez | Hangtown Energy, Reno | Economic Geology | Lithium Mining in Nevada | Rowland | |
| Feb 7 | Douglas Sims | College of Southern Nevada | Quaternary Geology | Evidence of Post-Glacial and Pluvial Lakes in Ivanpah Valley | Rowland | |
| Feb 14 | Trinity Hamilton | Univ. of Minnesota | Geomicrobiology | Geomicrobiology of Mid-Latitude Glaciers | Hausrath | |
| Feb 21 | Scott McCoy | UNR | Geomorphology | Drainage Basin Dynamics of Old and Young Orogens: Examples from the Ozark Dome and Sierra Nevada | Lachniet | |
| Feb 28 | Ben Tobin | National Park Service | Hydrogeology | Insights into Groundwater Flow in Grand Canyon using Dye Tracing and Hydrograph Analyses | Kreamer | |
| Mar 7 | Jerry Osborn | Univ. of Calgary | Philosophy of Science | Is Geology a Science? Viewing Geoscience through the Lenses of Philosophy, Art, Politics, and Religion | Rowland | |
| Mar 14 | Faculty Candidate | | Hydrogeology | | | |
| Mar 21 | Faculty Candidate | | Hydrogeology | | | |
| Mar 28 | Spring Break No Seminar | | | | | |
| Apr 4 | Devin Schrader | Arizona State Univ. | Meteoritics | TBA | Udry | |
| Apr 11 | Emma Bloomfield | UNLV Dept. of Communication Studies | Science Communication | Strategies for Science Communication: Climate Change and Skepticism | Udry | |
| Apr 18 | Geosymposium Week No Seminar | | | | | |
| Apr 25 | Qin-Zhu Yin | Univ. Calif. Davis | Meteoritics | Geochemistry of Primitive Meteorites and the Origin of the Solar System | Huang | |
| May 2 | Alan Titus | Grand Staircase- Escalante Nat'l Monument | Paleontology | Taphonomy and Sedimentology of a Tyrannosaur Mass-Mortality Site | Rowland | |
